

Sponsorship Proposal

Who are we?

Beach Dreams Community Festival is Sussex's longest-running festival that sees over 5000 attendees over the weekend. Beach Dreams Community Festival is held on Beach Green, Shoreham Beach, West Sussex, and is a unique FREE community event full of live music, attractions, and culture for the whole family.

Now in it's 23rd Year, after a hugely successful revival last year, we are back for 2026!

The festival is run by a collective of experienced and dedicated community groups and leaders. We are hard at work bringing the best local live music, real Sussex beers, ciders, food and creative activities to festival-goers.

Everything we do is informed by our festival values of **Community, Sustainability, Creativity, Authenticity and Inclusion**. The team behind Beach Dreams Community Festival is:

Shoreham Allstars - giving young people the opportunity to form bands, play gigs and write music within a supportive, creative and vibrant community.

Over The Moon - a non-profit community arts organisation spreading the joys of creativity, sustainability and community throughout Adur.

Figment Arts – Providing creative experiences to those who face barriers to accessing art. We raise awareness, amplify voices and highlight the importance of the arts and creativity for everyone

Esteem – Creating a space for young adults to thrive. Working with young adults to build lasting self-esteem and stronger communities through group activities and 1-2-1 support

SOLD - SOLD (Shoreham Opportunities for Learning Differences) charity is a work experience hub for adults with learning differences. Our trainees are supported to become more independent, confident & self-reliant whilst equipping themselves with meaningful & transferable work skills in our busy High Street shop.

High Gain Event Services - providing event management and technical production services to events across the South East.

Time Being Therapy - A positive mental health strategy offering PLAY THERAPY / EMDR and ECO THERAPY supporting children to express their feelings and develop the skills they need. Time Being will be running a Wellbeing Space within the festival over the weekend.

We also include individual community leaders from the **Houseboat Community**.
